

§ 17.607

38 CFR Ch. I (7–1–04 Edition)

(2) No stipend may be paid to a participant who is a full-time VA employee.

(3) The Secretary may determine the amount of the stipend paid to participants, whether part-time students or full-time students, but that amount may not exceed the maximum amount provided for in 38 U.S.C. 7613(b).

(4) In the case of a part-time student who is a part-time employee, the maximum stipend, if more than a nominal stipend is paid, will be reduced in accordance with the proportion that the number of credit hours carried by such participant bears to the number of credit hours required to be carried by a full-time student in the course of training being pursued by the participant.

(5) A full stipend may be paid only for the months the part-time student is attending classes.

(Authority: 38 U.S.C. 7614(2))

(6) The Secretary may make arrangements with the school in which the participant is enrolled for the direct payment of the amount of tuition and/or reasonable educational expenses on the participant's behalf.

(Authority: 38 U.S.C. 7613(c))

(7) A participant's eligibility for a stipend ends at the close of the month in which degree requirements are met.

(b) *Leave-of-absence, repeated course work.* The Secretary may suspend scholarship payments to or on behalf of a participant if the school (1) approves a leave-of-absence for the participant for health, personal, or other reasons, or (2) requires the participant to repeat course work for which the Secretary previously has made payments under the Scholarship Program. Additional costs relating to the repeated course work will not be paid under this program. Any scholarship payments suspended under this section will be resumed by the Secretary upon notification by the school that the participant has returned from the leave-of-absence or has satisfactorily completed the repeated course work and is proceeding as a full-time student in the course of

study for which the scholarship was awarded.
